

GÖRG advises the sale of Clinic Dr. Winkler to the amedes Group

GÖRG Partnerschaft von Rechtsanwälten mbB, under the leadership of its Hamburg partner Dr. John-Patrick Bischoff, advised the shareholders on the sale of the Husum Clinic Dr. Winkler, the West Coast Rehabilitation Centre and the joint surgical practice operated there to the amedes Group.

A total of five doctors and 77 employees provide surgical, trauma-surgical and orthopaedic care to the population of North Frisia and the neighbouring district areas. The comprehensive surgical care of 20,000 outpatients and 1,000 inpatients per year extends to outpatient rehabilitation.

The affiliated medical clinic was founded in 1957 by Dr. H. Winkler and is part of the Schleswig-Holstein hospital plan. It currently comprises 21 fully inpatient beds. In the course of the years the spectrum was constantly extended and today extends over large areas of general and accident surgery.

For many years, the hospital has made a name for itself nationwide, especially in the fields of joint operations and the care of accidents at work and at school. Special mention should be made of cruciate ligament replacement surgery, knee endoprosthetics, foot surgery, shoulder surgery, hand surgery and phlebology.
