For the eleventh time and exclusively for the Handelsblatt, Best Lawyers has identified Germany's most highly respected legal advisors based on peer review. For the purposes of this process, participation in the survey was restricted to lawyers who were asked for their opinions on the professional abilities of their competitors. Best Lawyers is the US's market leader in terms of the evaluation of attorneys. Rankings have a long tradition in the US, and lists recommending the best lawyers have been published there for over 25 years.
