

GÖRG joins the leasehold association

GÖRG Partnerschaft von Rechtsanwälten mbB becomes a supporting member of the German leasehold association as of January 1, 2020.

As a funding member, GÖRG supports the leasehold association and its purpose by providing information about leasehold rights, exchanging information and networking experts.

"We are pleased that we could win such a prominent law firm as GÖRG as member for our association, says Dr. Matthias Nagel, the managing director of the German leasehold association. Dr. Christoph Mönig, partner at GÖRG, supplements: "We bring ourselves gladly with our technical expert's assessment into the leasehold association. We advise companies in the real estate sector, foundations and the public sector on leaseholds on an ongoing basis and are familiar with the issues from both a lawyer's and a notary's point of view".

GÖRG is one of the leading independent business law firms in Germany. One of the firm's main areas of practice is real estate law, which is advised by more than 50 attorneys at law at its five major locations in Berlin, Frankfurt a.M., Hamburg, Cologne and Munich. In Frankfurt a.M. and Berlin, the firm also has its own notary's offices. In addition to leasehold law, real estate law advice primarily covers real estate transactions, project developments, commercial tenancy law as well as private and public building law.
