GÖRG advises Dätwyler on the sale of the Civil Engineering Business to the Management Team and the Hamburg based financial investor BPE

A GÖRG team led by Dr. Frank Evers has advised Dätwyler (a Switzerland based company) on the sale of the Civil Engineering business to the management team and the Hamburg based financial investor BPE.

The seller will take over all shares of Dätwyler Sealing Technologies Deutschland GmbH as well as the associated real estate. This company, which will be renamed SEALABLE Solutions GmbH, combines the Civil Engineering business with elastomer profiles for applications in tunnels, civil engineering and rail track superstructure projects at the German site in Waltershausen. Around 180 employees generate annual revenue of around CHF 40 million. The parties have agreed not to disclose details of the transaction.
