WirtschaftsWoche awards GÖRG as TOP Law Firm 2020 for Public Procurement Law and Environmental and Construction Planning Law

GÖRG Partnerschaft von Rechtsanwälten mbB was awarded as TOP law firm 2020 for the legal area public procurement law and environmental and construction planning law. In cooperation with Handelsblatt Research Institute (HRI), the magazine WirtschaftsWoche commissioned an independent jury to identify the most renowned law firms and lawyers for the two legal areas.

For the list of top law firms and lawyers for public procurement law and environmental and construction planning law, Handelsblatt Research Institute asked more than 900 lawyers from 103 law firms to name the most renowned colleagues. This list was presented to a jury of experts, which filtered out 40 law firms with 57 lawyers in the field of public procurement law and 29 law firms with 42 specially recommended lawyers in the field of environmental and construction planning law.

Prof. Dr. Lutz Horn and Dr. Kai-Uwe Schneevogl from the Frankfurt office and Kersten Wagner-Cardenal from the Hamburg office of GÖRG were named as TOP lawyers in the field of public procurement law. Prof. Dr. Ulrich Ramsauer, also from the Hamburg office, was especially recommended for environmental and construction planning law.
