GÖRG advises WealthCap on the sale of the shopping and business centre Bahnhofspassagen in Potsdam

GÖRG Partnerschaft von Rechtsanwälten mbB advised the Real Asset and Investment Manager Wealthcap on the sale of the shopping and business centre Bahnhofspassagen at Babelsberger Str. 11-16 in 14473 Potsdam.

The Bahnhofspassagen is not only a shopping and business centre but also part of Potsdam's main railway station and was built in the late 1990s. In addition to retail space, they also include areas for a cinema, fitness studio and offices as well as multi-storey car parks with over 1,400 parking spaces. Thanks to their excellent location and access, the station arcades can also be easily reached on foot, by bicycle or by public transport.

Under the lead management of Jan Lindner-Figura and Silvio Sittner, GÖRG and its team advised Wealthcap on the transaction, in particular on the legal due diligence as well as on the negotiations and execution of the purchase agreement.

GÖRG regularly advises Wealthcap and other clients on the acquisition or sale of large office complexes and shopping centres, including Wealthcap on the sale of the shopping centre "Das Schloss" in Berlin.
