GÖRG advises CBD vendor Princess Stardust on venture capital financing

GÖRG Partnerschaft von Rechtsanwälten mbB, led by Dr. Karla Gubalke, advised Princess Stardust GmbH on a financing round. Lead investors are SynBiotic SE, the first German listed cannabis company, and Kurz Ventures GmbH.

Princess Stardust is a German company based in Berlin that focuses on the production, trade and distribution of CBD lifestyle products. These include for example cosmetics and dietary supplements with the ingredient cannabidiol (CBD) – an extract produced from the leaves and flowers of hemp plants. Together with the newly acquired investors, the brand "Princess Stardust" will be further expanded on the German market.
