GÖRG advises Oberberg Group on acquisition of Windach Clinic

GÖRG Partnerschaft von Rechtsanwälten mbB advised the Oberberg Group on the acquisition of Psychosomatische Klinik GmbH & Co. Windach-Ammersee KG. With the acquisition of the Windach Clinic on Lake Ammersee and the associated Westend Day Clinic in Munich, the Oberberg Group, the largest quality association of private day and specialist clinics in the field of psychiatry, psychosomatics and psychotherapy in Germany, is expanding its range of services in the region.

The clinics specialise in the care of psychosomatic patients and, with 177 inpatient beds in Windach and 50 day-clinic places in Munich, are included in the Bavarian hospital plan. In addition, outpatient therapies are offered in the associated medical care centre (MVZ Psychotherapie München Westend).

A GÖRG team led by the experienced Berlin partners Dr. Karla Gubalke and Dr. Marc Schüffner successfully assisted the Oberberg Group with corporate, hospital, real estate and employment law advice.

About Oberberg Gruppe

The Oberberg Group, headquartered in Berlin, is a clinic group founded more than 30 years ago with a large number of specialist and day clinics in the fields of psychiatry, psychosomatics and psychotherapy at various locations in Germany. In the clinics of the Oberberg Group, adults, adolescents and children are treated in individual, intensive and innovative therapy settings. In addition, there is a nationwide network of Oberberg City Centres, corresponding therapists and self-help groups.
