Trust comes from understanding: our profile

GÖRG is one of the leading independent business law firms in Germany. At the five offices in Berlin, Cologne, Frankfurt, Hamburg and Munich, more than 300 lawyers and tax advisors with many years of national and international experience serve as expert partners to provide each of our clients with personal, practical advice.

GÖRG is a national leader in insolvency and restructuring with top positions in all core areas of commercial law. Through many years of experience, our lawyers have also gained thorough knowledge of our clients' economic environments. This allows us to manage specific industry requirements quickly and comprehensively.

Our clients include numerous domestic and foreign companies, mid-sized businesses and financial investors and publicly listed corporate groups from all fields of business and the public sector.

Expertise across borders – worldwide

Modern business and globalisation go hand in hand. As an independent German full-service law firm, GÖRG has an international focus – and offers you a structure that ensures comprehensive, transnational legal advice in all fields that are relevant for you.

For this purpose, we maintain close relationships with international law firms that are leaders in their respective jurisdictions. Using this established international network of independent law firms, we are able to assemble a transnational team of specialists tailored to your needs at any time.
