### **About Swiss IT Security AG**

Swiss IT Security AG is a leading corporate group in the DACH region specializing in IT security solutions and technologies. The acquisition of it.sec GmbH is already the 10th acquisition since the foundation of the Swiss IT Security Group in 2017 and thus strengthens growth in a leading market position.

The acquisitions of AlphaBit GmbH, Expertcircle GmbH, Pallas GmbH and GLC-IT GmbH have already been advised by Dr. Tobias Fenck and his team. Since joining GÖRG in September 2018, this is the 3rd acquisition within the group.

### **About it.sec GmbH**

it.sec GmbH was founded in 1996 and, currently with approx. 20 highly qualified IT specialists, advises well-known companies in almost all industries on questions of information security, data protection and IT compliance. it.sec hacks into online systems and shops, companies, banks or industrial facilities on behalf of its clients, helps with the prevention and clarification of IT-related security incidents ("cybercrime"), and correctly sets up its customers in the field of data protection or requirements for information security management.
