GÖRG advises Ufenau on the sale of Swiss IT Security Group to Triton

GÖRG Partnerschaft von Rechtsanwälten mbB, led by Dr. Tobias Fenck and Markus Beyer, advised Ufenau Capital Partners on the sale of its majority stake in Swiss IT Security Group ("SITS"), a leading one-stop shop for IT security services in the D/A/CH region and the Benelux countries, to funds advised by Triton. The transaction is still subject to regulatory approval.

Since Ufenau invested in SITS in 2017, the company has built a leading position in Switzerland, Germany and Benelux through double-digit organic growth and 17 add-on acquisitions. Meanwhile, with highly qualified employees at 19 locations, the group has established itself with well-known industrial and public sector clients. Following the sale, the management of the company will remain in place and continue the growth strategy together with Triton.

With this sale, Ufenau Capital Partners is once again relying on the expertise of the well-established team of GÖRG partner Dr Tobias Fenck, who has already provided legal advice to Ufenau on all add-on acquisitions to SITS in Germany since its entry in 2017.

The transaction was conducted under Swiss law, and Ufenau was also advised by Walder Wyss on the Swiss legal aspects.
