## brand eins names GÖRG as one of the best law firms 2022

GÖRG Partnerschaft von Rechtsanwälten mbB was ranked as one of the best law firms of 2022 in the latest issue of the magazine brandeins /thema. With four stars, GÖRG received the highest possible rating in the magazine's "Overall Recommendation". In addition, GÖRG is among the most recommended law firms in Germany in five different individual categories (employment law, corporate law, real estate, insolvency & restructuring and mergers & acquisitions).

This is the result of a survey conducted by brand eins among lawyers (colleague survey) and in-house lawyers (client survey) for a total of 24 legal areas. The field period of the survey ran from 4 October 2021 to 26 November 2021. A total of 2,670 lawyers and in-house lawyers participated in the survey for their best colleagues. The number of participants' recommendations were counted for each commercial law firm following the survey. Only law firms with an above-average number of recommendations in their respective field of law were recognised.
