

PRESS RELEASE

Cologne, 5 January 2024

GÖRG advises ENCAVIS AG on the acquisition of the 12.4 MW wind farm Desloch in Rhineland-Palatinate

GÖRG Partnerschaft von Rechtsanwälten mbB has advised MDAX-listed Encavis AG on the purchase of a 12.4 megawatt wind farm in the municipality of Desloch in Rhineland-Palatinate. The seller is BayWa r.e. Wind GmbH.

Vestas V-162 wind turbines, each with a nominal output of 6.2 MW, are to be commissioned in the near future. A GÖRG team led by our partner Thoralf Herbold and Dr Ruth Büchl-Winter (Counsel) and Dr Ilka Mainz (Associate Partner) carried out a legal due diligence for Encavis, structured the purchase process and advised on all legal issues in connection with the successful transaction. In addition to energy law expertise, the advice also included corporate law aspects as well as the structuring, negotiation and finalisation of the necessary project agreements.

GÖRG regularly advises operators of solar and wind energy parks as well as investors on the acquisition and sale of renewable energy plants and project developers on the realisation of energy generation and storage plants.
