GÖRG advises ABC Kochwerk on financing package

GÖRG advised ABC Kochwerk GmbH on structuring and negotiating a financing package. The new growth financing enables ABC Kochwerk to refinance its existing structure.

ABC Kochwerk has been providing balanced meals for daycare centers and schools for many years, working closely with cities, municipalities, and private institutions. With its own logistics operations, a modern fleet of vehicles, and clear organizational structures, the company supports these institutions in their day-to-day operations.

To date, ABC Kochwerk's growth has been driven by its two founders, who combine their many years of industry experience and entrepreneurial expertise with a vision of further developing their offering with technology-based solutions. The new financing is intended to strengthen and expand the company's market position.

A GÖRG team led by partner Dr Thomas Lange provided ABC Kochwerk with legal advice on all aspects of the financing.

yami advisory acted as exclusive debt advisor. The Apera credit fund is involved as a lender and long-term partner of ABC Kochwerk.
