GÖRG advises PKF WMS on the closing of a financing package

GÖRG advised the auditing company PKF WMS on the conclusion of a comprehensive financing package, including an acquisition line.

PKF WMS is a leading regional full-service provider of tax, auditing and legal services based in Osnabrück and a member of the international PKF network of auditors and consultants. The firm primarily serves medium-sized companies and family-owned businesses. With more than 450 employees, PKF WMS operates from six offices across north-west Germany.

The financing package enables PKF WMS to flexibly pursue future growth and acquisition projects, in particular the expansion of its business areas.

GÖRG has previously provided comprehensive legal and tax advice to Ufenau Capital Partners in connection with the partnership with PKF WMS, led by Frankfurt partner Dr Tobias Fenck.

Our law firm has now also acted as legal advisor to PKF WMS in a further step in its growth strategy. A GÖRG team led by partner Dr Thomas Lange provided comprehensive legal advice to PKF WMS on the structuring and implementation of a financing package including an acquisition line.
