GÖRG advises Edmond de Rothschild REIM on the purchase of a logistics property in Upper Bavaria

GÖRG advised the German team of Edmond de Rothschild Real Estate Investment Management (“EdR REIM”) on the purchase of the Großmehring logistics site. The seller is VIB Vermögen AG, part of Branicks Group AG.

With the acquisition of the logistics property in Großmehring, Upper Bavaria, EdR REIM is adding another location to its Euro Industrial Real Estate Strategy Fund.

Built in 2021, the single-tenant property features modern technical characteristics and standards that meet the requirements of logistics and light industrial use. The property covers a land area of around 12,500 m² and has a leasable area of approximately 7,200 m².

Edmond de Rothschild REIM is the real estate investment platform of Edmond de Rothschild and manages assets of €13.7 billion. The platform brings together around 150 experts in the field of real estate investment and covers the entire value chain – from investment to asset management. A particular focus is on sustainable investment strategies based on ESG criteria.

GÖRG provided comprehensive legal and tax advice to the German team of EdR REIM as part of the asset deal with a team led by Frankfurt partner Dr Dennis Hog. With this advice, EdR REIM is continuing its successful cooperation with our team and once again placing its trust in our expertise.
